STATEMENT OF NON-HAZARDOUS MATERIAL CONTENT

As an ISO 9001 certified company, Gemstone Communications, Inc. (“GCI”) is committed to maintaining the highest quality and environment standards with respect to the manufacture and packaging of GCI products and to comply with all applicable environmental laws, regulations, and directives.

This shall confirm that GCI’s “Green” category products are compliant with the Restriction of Hazardous Substances in Electrical and Electronic Equipment (ROHS) Directive (2002/95/EC) of the European Parliament and Council of the European Union, and do not, to the best of GCI’s knowledge, contain the following hazardous and/or banned materials above allowed limits :

RoHS Restricted Materials

Material & Toxicological Profile	Maximum Concentration
Lead (Pb)	0.1% by weight
Mercury (Hg)	0.1% by weight
Cadmium (Cd)	0.01% by weight
Hexavalent Chromium (Cr-VI)	0.1% by weight
Polybrominated Biphenyls (PBB)	0.1% by weight
Polybrominated Diphenyl Ethers (PBDE)	0.1% by weight

This information is provided “as-is” for informational purposes only. GCI may rely on information provided by third parties in preparing this statement. Some suppliers to GCI may consider material content information to be proprietary and thus data regarding materials from such suppliers may not be available for release. GCI does not warrant, guarantee, or certify the accuracy of the information herein. GCI does not routinely conduct destructive testing or chemical analysis of incoming materials and chemicals. GCI does, however, possess a reasonable belief that the information herein is representative and accurate. Any use of this information is without recourse to GCI and is at the user’ risk. GCI specifically disclaims and liability for damages, fines or penalties suffered by a user who relies on this information.

Sincerely

Calvin Jaw
